Pam,

If I understand correctly, as a consultant to UtahAmerican Energy, Inc. (UEI), I now have the authority to notify the Division on UEI's behalf when water monitoring information is in the UDOGM database pipeline and is acceptable for submittal. This email is to notify you that 4th quarter, 2006 water monitoring data is in and ready to be uploaded for these three UEI facilities:

Wildcat Loadout C/007/033

Centennial Mines C/007/019

West Ridge Resources C/007/042

Please let me know if you or the assigned hydrologists have any questions about this submittal.

Thanks!
Karla Knoop
